

International Classic Military Motorbike Meeting 2026

On 26, 27 and 28 June 2026 the Klassieke Legermotoren Club Nederland (Classic Military Motorbike Club Netherlands) will organize the International Military Motorbike Meeting once again.

Location: Camping De Notenwei, Zeendamseweg in ENTER. This camping is located outside the village, at the roadcrossing Wolvesweg and Zeendamseweg. Enter lies about 40 km east of Deventer and about 10 km west of Almelo.

This meeting is open for all classic (25 years and older) military motorbikes. Regardless make and used by which army.

At Camping De Notenwei we will have our own site, suitable for tents, caravans and campers. There are some lodges on site as well. Electricity is available. Who prefers to stay in a hotel or B&B has to arrange this by himself. The area has lots of accommodation to offer, but please mind that end of June is already a popular time for holidays and this region is quite popular. So better make your reservation in time.

Meeting programme (as for now):

- Friday afternoon/evening, arrival of participants
- Option to join a simple evening meal
- Short tour
- Saturday morning, arrival of other participants, up to 10.00h
- Tour (also off road), starting at 11.00h
- Lunch underway, or at the campsite
- Back in Enter at about 16.00h
- Evening BBQ
- Sunday morning, another short tour for those who would like to join
- End of programme

Because of our maximum capacity at the tours, we will limit the number of bikes at 60.

We will send the official invitations for this meeting in April/May, but those who would like to join already, please send an email to treffen.klcn@gmail.com

And for news updates, visit our website www.klcn.nl

Best regards,

The organization team
